Morgan Central expected to be ready for Aug. 9 opening

Pictured above is the newly-constructed Morgan Central Elementary School, at Greear, and a new electronic sign near the school's entrance. A turn lane, lower right, has also been installed on Highway 460 for the school. Morgan Central is expected to be open for classes when the regular school year starts on Thursday, Aug. 9. School officials are currently waiting for the city to complete installation of the facility's sewer system and for gymnasium bleachers to arrive. An official dedication ceremony is planned, though a date has not been set at press time.

Six grant pgms. available for tob. dependent farmers

Applications from the Morgan County Agricultural Development Council for six more improvement grants will be made available beginning next Monday, July 23. Grants to be offered include Cattle Handling Facilities, Commercial Sorghum & Strawberry Production, Livestock Fencing, Forage Improvement and Hay Storage.

New this funding cycle is the stipulation that these grants will only be made available to those persons who can document dependency on income derived from tobacco by supplying one of the following: a current marketing contract, a copy of a Phase II Transition check/contract or a copy of a lump sum buyout contract/check. Sons and daughters of farmers with proof of dependence on tobacco income are eligible to apply as well — as long as they have a separate Farm Serial Number and show proof of their parent's dependency.

Farmers will rank one through six the programs that they are most interested in receiving. Due to limited funds, applications will be ranked to fund the most farmers possible. If applicants have received funds for fencing or hay storage within the last 18 months, they will not be eligible again for these programs, but are eligible for the other programs offered. There is a \$15,000 lifetime limit per program area.

Grant amounts for each program will vary, but still must be matched dollar for dollar on a cost share basis. For example,

if you are approved for \$1,000 in funding, you must spend \$2,000 with documented receipts to be reimbursed \$1,000. All projects must fall within the state guidelines adopted by the Morgan County Agricultural Development Council as outlined in the application packet.

Applications can be found at the Morgan County Extension Office (110 Court Street), the Morgan County Judge Executive's Office (450 Prestonsburg Street), and farm stores beginning July 23. All grants must be postmarked by August 10 and mailed to the County Judge's office 450 Prestonsburg Street, West Liberty, Ky. 41472. Applications must be fully completed and a farm serial number must be supplied. Hand delivered applications will not be accepted. Delivery confirmation is high encouraged.

Mandatory educational meetings will be offered by the Extension Service. The dates of these meetings will be announced in the approval letter. The Council will meet monthly September through December on the second Monday to approve receipts. Payment from the Morgan County Fiscal Court which is serving as the administering agency, will be made within thirty days of notification from the Council. Receipts must be submitted by December 7, 2007, for reimbursement. Reimbursement will not be made until all required report forms

Morgan man in stable condition after being shot

Shooter was defending himself as victim almost hit him in pickup truck

A Morgan County man was shot several times Sunday afternoon after he threatened and attempted to run down the shooter in a pickup truck.

State police said Okie Fannin drove past the residence of his ex-wife, Tameila Burchett, and placed a threatening phone call to her current husband, Charles Burchett, later showing up at Burchett's home on Highway 589 at approximately 4:49 p.m.

According to the police report, Fannin drove a 1979 Ford pickup truck through Burchett's yard, turned around, drove directly toward Burchett and almost struck him.

Police said Burchett fired several shots from a .357 magnum in an attempt to defend himself, striking Fannin several times. Fannin left the scene and wrecked several miles down the road.

Fannin was airlifted to Lexington's University of Kentucky Medical Center, where he is currently listed in stable condition. No arrests have been made.

The commonwealth's attorney has been notified of the case, which will be presented to a Morgan County grand jury. The incident remains under investigation by KSP Detective Toby Gardner.

Fiscal Ct. goes to work with skimpy budget

Faced with a skimpy budget, the Morgan County Fiscal Court at its regular meeting Monday, July 9, set aside \$2,000 from the county's general fund needed to help purchase patching material for three roads recommended for repair by Judge Executive Tim Conley. They are the Butch Hamilton Road, the Spaws Creek Road, and the Straight Creek Road.

The magistrates also delved into its unappropriated general fund monies for \$2,500 to complete repairs on the Clayton Dulen Bridge on Route 437.

Also, the court voted to reapply for all severance tax money and other funding frozen earlier to meet an end of the fiscal year-budget crisis, including \$25,000 for repair and upkeep of the Morgan County ARH Hospital, \$20,000 to provide grants to four local fire departments that did not share in the annual \$5,000 Emergency Services Grants allotted earlier because of the budget crisis. They are the Hwy 172, Peddler Gap, White Oak, and Blackwater departments.

The court also authorized architect

Ohio author with Morgan Co. ties publishes book

Tim Callahan, an Ohio native with Morgan County ties, is the author of "Kentucky Summers, the Cave, the Cabin, and the Tat-too Man," a story that takes place in Morgan County.

After an absence of over 20 years, Tim returned to Morgan County to visit places where his grandparents, the late Martin and Cora Collins, lived when he was a young boy. Inspired by the visit,

Tim's memories became a story which captured the interest of Tate Publishing Company, a Christian publisher based in Oklahoma.

The publisher states that Tim's book is an "enjoyable and exciting adventure, filled with humorous characters, suspense and mystery, along with heart wrenching and touching moments."

The setting is northeastern Morgan County, where Timmy, a 10-year-old boy, spends the summer months of 1959 with his grandparents, who own a small country store. The store also serves as their home and includes

a pay fishing lake behind the store.

The area is real. Some of the names and people, as well as landmarks mentioned in the book are real and still exist; others are fictional. Very evident is Tim's love for his grandparents and his happy memories of his visits to Kentucky.

Receiving rave reviews from readers of all ages, Tim's book has been accepted to the Southern Festival of Books to be held this fall in Nashville, Tenn.

Tim Callahan's book is available locally at Coffeetree Books, in Morehead, from his address, 4617 Rosedale Rd., Middletown,

OH 45042, and from the website www.timcallahan.net, where audios, comments and info about the book may also be obtained.

Havens named starting QB

Norman credits sophomore's toughness and athleticism

By David Patrick

The Cougars have a new quarterback. This week, first-year coach Jeff Norman put an end to any suspense with his decision to name Kyle Havens as the team's first-string QB. Norman says the sophomore was the logical choice.

"Kyle is our starter for this season," the Cougar coach said. "We've told the team and we expect our kids to get behind Kyle. He is a good player and leader who will help this team win games."

The position had been up for grabs with Havens and freshman Jared Curd as the top candidates. Norman stated last week that he preferred having Havens at running back because of his athleticism and ability to carry the football. But, when it was all

Kyle Havens

said and done, the coach's reluctance to turn the signal-calling duties over to a freshman proved to be the deciding factor.

"Jared Curd is a smart quarterback with a good arm, but he's

Jared Curd

still just a freshman," Norman said. "And to Jared's credit, he understands why the decision was made and he's okay with it. And I'm okay with having a freshman with Jared's abilities at backup, but it's not fair on him to make him the starter."

As for Havens, the Cougar coach says he is what he is, a running quarterback. That is his strength and it will be the focus of the team's offense.

"Kyle's strong point is running with the football," Norman said in describing his sophomore QB. "He's an intelligent player who understands what we need him to do. If we need him to throw, he's able to do that. But, his job is to run the ball and we expect him to do it well."

Havens's athleticism has drawn comparisons to former Cougar quarterback Andy Lewis. Norman says while he is not into comparing players, there are similarities in the players' games.

"I saw Andy play enough to know that he was one tough kid who played the game the right way," Norman said. "Kyle has that kind of toughness and talent. He will get as many carries as anyone on the team."

"Mr. Wildcat"

While covering a Reds' game in Cincinnati two weeks ago, I caught up with UK basketball equipment manager Bill Keightley—better known around here parts as "Mr. Wildcat." Although we were both in the Queen City to watch the Reds, our conversation immediately shifted to Wildcat basketball.

The one thing you can count on from Mr. Keightley is honesty. For simple country boy such as myself, there's nothing better than a man that will tell it like it is. I asked him about the upcoming season, and he was quick to give me the answer I was hoping for.

"I'm anxious to get it going," Mr. Keightley said. "I really believe this team will be much better than what people think."

The main reason for Mr. Keightley's optimism is none other than the new coach, Billy Gillispie. Just weeks after taking the Kentucky job, Gillispie landed not just one, but two high school All-Americans, with the signings of Alex Legion and Patrick Patterson. The players joined A. J. Stewart and Mike Williams, who had both signed the dotted line under former Wildcat coach Tubby Smith.

"Billy Gillispie can recruit players—and good players at that," Keightley said. "Any man good enough to bring in that kind of talent can coach them, too. I like what I've seen out of Billy and I think he'll do a good job."

Patterson finished his senior season at Huntington High School rated as the number two power forward in the nation, as well as a top 15 overall prospect. He ended a lengthy recruiting process by committing to the Big Blue on the final day of the signing period. Gillispie called Patterson's signing "a great day for Kentucky basketball."

Legion was Gillispie's very first signee at UK. The forward had originally inked with Michigan in the fall before receiving his release after the Wolverines fired head coach Tommy Amaker. For Gillispie, Michigan's loss was Kentucky's

Special Legislative Session Tragedy For Taxpayers

By Todd Duval

The comedy of errors that the special legislative session Gov. Ernie Fletcher called is rapidly turning into a tragedy — at least for the Kentucky taxpayers who are paying 138 lawmakers to do absolutely nothing at the tune of about \$60,000 a day.

If they return July 30 as Fletcher has ordered them, legislators will have collected more than \$1 million in pay and expenses while they were at home cooling off, in the governor's words.

It turns out the resolution passed by the House rejecting pay the day it met for an hour and promptly adjourned as unconstitutional because the General Assembly can pass only legislation in special session specifically included in the governor's agenda.

So now Fletcher's latest official call for them to return July 30 includes a provision for rejecting the pay they have not earned, and it is a safe bet it will be the very first bill passed by both the House and Senate by unanimous votes.

Indeed, the pay issue guarantees House Democrats will return to the Capitol July 30. To do otherwise would be political suicide for them.

But there is nothing to prevent them from passing the pay rejection and once again adjourning.

That, as intended, leaves Fletcher empty-handed from the standpoint of tax incentives for new coal conversion plants, denial of health insurance benefits for domestic partners of public employees, tax breaks for the active duty military and more than \$400 million in construction projects largely for university campuses.

It renders the Republican-controlled Senate, which rubberstamped all those issues in a one-day session last Monday, a fairly toothless tiger for once, a situation Senate President David Williams will not like in the least.

So, what happens July 30 if the House simply votes once again to adjourn?

Fletcher cannot send state troopers into every House district to arrest Democratic state representatives and return them forcibly to the Capitol.

There is an old political axiom here that with 51 votes in the House and 20 in the Senate, the General Assembly can move the Capitol wherever it wants. That can now be updated to read with 51 votes in the House, the political aspirations of a governor running for re-election can be brought up short.

But while the House may be successful in making Fletcher appear feckless and weak, it also is coming across as petulant and petty.

That is why House Speaker Jody Richards and other Democratic leaders should settle down and negotiate seriously with Fletcher and Williams about a reasonable agenda for a special session.

There are growing questions about the viability of these coal conversion plants, but the tax breaks being proposed come into play only if the plants are built. If the whole thing turns into a house of cards that collapses, no tax breaks.

And a number of construction projects on Fletcher's agenda have been approved by the House and Senate already. It was Fletcher who vetoed them last year and at this point, everyone knows that. If he had not vetoed them, he would be handing out the oversized checks anyway.

Junk the projects not already approved and send the domestic partners issue packing (it was, after all, Fletcher's appointees to the University of Louisville and University of Kentucky boards of trustees who approved them).

Finally, surely active-duty Kentucky military men and women have enough on their minds without becoming political pawns in a silly tug-of-war between Democrats and Republicans in the General Assembly and their respective party headquarters.

Of course, this whole mess could end up in court, but it is unlikely the judiciary is in the mood to order the House to do what 51 of its members do not want to do. Besides, the November election will be over before all the various parties file their briefs on the matter.

And make no mistake: It is that November election this entire sorry episode is all about.

Dry time in Okeechobee

Photo By Dwayne Sandin

This picture shows the effect of the drought in Okeechobee, Fla. Mitch Blakeney, along with his wife, Karen, of 25th Street in Treasure Island, Okeechobee, Fla., is now growing a garden in the canal that once was filled with water and wildlife. It is now well known for corn, beans and collard greens. It was once a wonderful place to fish, feed the fish and see the alligators, the manatees and so much more.

Today the canal is so below its level that Mitch is now growing a wonderful garden where he once fished just off its deck. Knowing Mitch, he may be planting fish in his garden today. He loved to fish so much; he can

grow anything. Mitch has two and sometimes three gardens a year.

George and Naomi Howard, of Mize, Ky., spend their winters in Treasure Island, Okeechobee, Fla., right across the street from Mitch and his wife, Karen. Naomi stated that those two people are such good neighbors. George and Naomi came back home to Kentucky to their summer home up Hooten Hollow, Mize, before the great garden in the canal was ready to harvest. The picture shows how low the water is. The water is normally within two feet of the top of the sea wall. (Pd.)

Gateway Head Start hosts health fair for nutrition awareness

In collaboration with community partners, Gateway Head Start hosted a health fair to increase community awareness of proper nutrition and oral hygiene. The fair was made possible through a grant award in the amount of \$5,000 from the American Dental Association Foundation's Samuel Harris Fund.

In addition to the health fair, funds were used to purchase materials for our head start classrooms as well as items for packets sent to each of our head start families. The project focused on awareness of the importance of the early intervention such as regularly seeing a dentist and selecting foods that are high in nutrients and low in salt, sugar and fat. We would like to thank all of our community partners that worked with us in the successful completion of the project, which included:

- Domestic Violence Emergency Project (DOVES), which provided information on domestic violence.
- Gateway District Health Department provided free screening for diabetes, blood pressure and cholesterol.
- St. Claire Regional Medical Center provided free physicals.
- Frenchburg Resource Youth Service Center provided the site for the event, refreshments and helium for the balloons.

UNRULY SKATEBOARD PARK USERS

Dear Editor,

If you drive around West Liberty and observe the numerous parks, playgrounds and ball fields, one cannot help but marvel at how a small town such as West Liberty can have so much, especially for our youth. Believe me, it has taken a lot of hard work and cooperation with the county's citizens.

Our parks are always mowed and manicured, thanks to John Motley and EKCC. It would cost us and the city thousands of dollars each year to keep these facilities in the state of repair that they are.

The West Liberty Kiwanis Club has worked on initiating these parks since 1938. It has taken many people hours of hard work and raising funds and physical labor to get where we are today.

We have just finished a new skateboard park, which cost thousands of dollars. It should be a perfect fit to go with the swimming pool, but it has been called to our attention that a few young people are abusing the privilege of using the skateboard area. It is repeatedly being reported to us at these few people are having to be "called down" for vulgar language and music. Those in charge of the swimming pool are also in charge of discipline for the pool and skateboard park.

It has been necessary to call the city police a few times to handle unruly youths. The West Liberty Kiwanis Club would like the parents of these few youths to know that we have no intention of closing such a nice facility because your child does not know how act in a public place, or appreciate what others have done for them.

derly youths will be notified of their child's conduct and the child will be suspended from the pool and skateboard park for whatever time those in authority deem necessary.

We want to thank the West Liberty Police Department for their assistance in handling prob-

lems in the past and hope we will not have to call on them in the future. We have no intention of having those over the pool area subjected to the kind of language used toward them at times. We have instructed them not to hesitate in calling the police when needed.

It is with much regret that we have to write this letter to the public, but we cannot let a few youths jeopardize the nice facilities that we have and are being enjoyed by so many.

Sincerely,
The West Liberty
Kiwanis Club

TIME TO SPEAK UP FOR JUDGE CONLEY

Dear Editor,

As citizens of Morgan County, we feel it is our duty to speak up for Judge Tim Conley.

I believe if there is an innocent man about to be hanged and we stand by and say nothing, we are guilty of that crime, too.

After all the big investigation and then come up with these petty charges, I believe it an embarrassment for the county. All the money spent on the investigation could have been put to a better use. If they would have put as much effort in trying to help the county as they have in trying to bring Tim Conley down, I believe Morgan County would be better off.

Tim Conley was elected Judge by the people of Morgan County. We should all accept that and put all the politics behind and move on. If time lasts, there will be another election; then go for it.

I believe Tim Conley has worked very hard and done a good job. And I truly believe he is interested in helping every citizen in the county, not just a chosen few.

May God bless the Conley family. And may God bless the people that are doing this that they might have a change of heart.

I would like to share this Bible verse with you: Mark Chapter 8, Verse 36: For what does it profit a man to gain the whole world and lose his own soul.

ANOTHER GREAT FESTIVAL

To the Editor:

The weather was very hot for the festival but the turnout was tremendous. As many as 4,000 to 5,000 people attended. As far as I know it's the only free festival in the country! We even had a wedding on stage during the event. First time for that. Congratulations to Greg and Liz Phipps!

Although I've been to many festivals, I had never seen the headliner group, The Seldom Scene. I had a few of their cassettes from years past. They were awesome. They could make anyone enjoy bluegrass music. As always, our local groups put on good shows. We appreciate them. We have a lot of good talent right here at home!

The festival committee spends a whole year to get this festival organized and they do a tremendous job! A lot of hard work and planning takes place. Many thanks to the committee and all the sponsors! I look forward to next year's festival. I don't know how a free event could get any better.

The Judge's Corner

By Tim Conley
Judge Executive

Hello from Judge Conley and Staff.

I really appreciate and want to thank everyone for your telephone calls and concerns about the court charges against me. We are no further along on the case today than we were two months ago. The Circuit Judge has decided to step down from the case. Now a new judge will have to be appointed. When we are notified of who the new judge will be, we will then be given a new court date to appear. At this time there is nothing new to tell you. I just wanted to thank all of you for your concerns on my behalf.

Currently, we are looking for monies from the state to do more much-needed road patching throughout the county. Over the next couple of weeks I will try to drive all blacktopped county roads and make estimates for the cost of repairs.

The Morgan County Water Board is currently looking for people to sign up for water on the Phase 12 Water Project. When Phase 12 is installed/completed, the county should be about 70-75% watered, which is truly an accomplishment for us.

The road department has mowed most all roads in the county road system twice this year and should start the third mowing by August 1. We will be sending the brush cutter out to do the intersections and behind guard rails.

If school bus drivers know of any bus turn-arounds that are in need of attention before school starts back in session, please call my office and let me know where they are and we will look at them.

As always, your comments and concerns are welcome. You may call me at (606) 743-3897 or write to me at 450 Prestonsburg Street, West Liberty, Ky. 41472.

Marie Henry Franklin, of 605 Glenn Avenue, West Liberty, departed this life Saturday, July 14, 2007, at the Appalachian Regional Hospital.

She was born on July 2, 1922, at Cottle, Kentucky, a daughter of the late James V. "Jim" and Mary Easterling Henry.

In addition to her parents, she was preceded in death by two sisters, Maudie and Lula Henry; one sister-in-law, Mae and husband, Jack Trusty.

While continuing to work, Marie and Dorsie owned and operated a successful business, Franklin's Electric, from 1959 until 1998.

Active in the community, Marie has been an extension volunteer for 65 years and has been a member of the Morgan County Extension Homemakers for 58 years. She was currently serving on the Morgan County Extension District Board and the Morgan County Extension Homemaker Council as Family Chair. Marie was instrumental in making her vision into a reality with obtaining a newly renovated office building for the Morgan County Extension Service. She was present for the ribbon cutting and celebration in August of 2000. Marie not only served on the Morgan County Fair Board for 22 years, but also exhibited items every year and was very proud

of her many ribbons she won. She also found time to assist with the Annual Sorghum Festival for 22 years and was treasurer for 17 years. In 2004 the Kiwanis Club in recognition of her services to the community named Marie Citizen of the Year for Morgan County which she was so deserving of.

Marie and Dorsie enjoyed traveling together. They have cruised to Bermuda and visited every state except for Alaska and Alabama. They also enjoyed their pets Okie Poe and Gi-Gi.

Marie will be missed in the community because of her tireless work and endeavors. She will be greatly missed by those that knew her including family, friends, and neighbors.

GRADUATION DAY DAD

There were no short cuts to your achievements
You grew up to be A giant in my eyes

For you to graduate was no small thing
But when you graduated from this life you received more than a piece of paper
You got a Robe, Crown and a Mansion, but Dad when I look for you

You will be at Jesus' feet, I know
Mom will be there also
Dad I know Little Phyllis was there waiting for her Daddy to come home and I know you was glad to see her

What a wonderful time you, Mom and little Phyllis had when you saw each other.

Dad the day you were laid to rest it snowed, and Wilma being Wilma said Dad and Mom were having a party,
She said you were throwing down confetti.

Dad no matter how old I get, to me you will always be the greatest Dad in the whole world.

I miss you so very much, just to call you and you say hows the weather up there,

Or to hear you say I love you one more time, but some day Dad I will be with you and Mom, where we will never be parted again. I miss all the time we

would sit and talk till way in the night, about our family history, thats such good memories.

Dad I could see how tired you were getting and even tho I wanted to be selfish and tell you not to go I couldn't do that... For you were so very sick.

Now you have a new body, and there will be no more pain in your new body, Thank God.

I feel so lucky to have had the best parents in the whole world. I thank God each day for you and Mom, and the good life we had. Even tho we were so very poor money wise, we wre rich in love, happiness and kindness.

I'm the luckiest girl in the world, for the world's best parents belonged to me.

The greatest gift I every had, it came from God and I call them Dad and Mom.

Dad if you had stayed here till July 18, 2007 we were going to have you the biggest birth day party you had ever had.

So I will tell you happy birthday now,

Happy 90th birthday Dad
I love and miss you and Mom so very much.

I know you all are very happy in your new home. Some day I will be coming to my home in Heaven. So wait for me at Jesus' feet...

Tell Jesus thanks for taking good care of you and Mom.

Dad I could go on and on, but I will go for now... Just know in your heart you and Mom are very loved...

Bye for now, Dad and Mom, Buford and Clova Penix-Coffee

Love,
Georgia and Ralph (pd)

IN MEMORIAM

In Memory Of
Tiffany Michelle Bradley
Sept. 19, 1990 • July 19, 2006

It seems like only yesterday since you were here
A day of fireworks, laughs and cheers
But looking back now you've been gone for nearly a year
It's hard to face each day knowing that no one will see your beautiful face
You made so many people laugh and enjoy life
There was never a dull moment when you were around
Everyone waited for you to come
The only thing that gets easier is knowing that everyday I live

I get closer to being with you
No one will ever take your place
You are one of a kind
We all love and miss you, pal.

Love always,
Family & friends

ENERGY SAVING TIPS

Save water by scraping dishes instead of rinsing them before loading in the dishwasher. Run your dishwasher with a full load and use the air-dry option if available.

- Rinsing dirty dishes before loading your dishwasher uses a lot of water and energy. Most dishwashers today can thoroughly clean dishes that have had food scraped, rather than rinsed, off — the wash cycle and detergent take care of the rest. To make the most efficient use of your dishwasher's energy and water consumption, run the dishwasher only when enough dirty dishes have accumulated for a full load.

A Beacon in the Dark

The sea is a treacherous beauty; her glistening waters disguise all manner of danger. In the darkness of night it can be difficult for a sailor to gauge the proximity of his ship to the shallow shoreline, where sandbars and rocks spell disaster. The lighthouse is a bright beacon...a signal in the dark.

God's house is also a beacon...a signal in the world. We all live in the twilight of temptation. Without God's guiding light, life in this beautiful world can be deceptively treacherous.

This week, search for a house of worship and enter the sanctuary within. You will learn of God's loving care as you study His Holy Word. "You are my lamp, O Lord; the Lord turns my darkness into light" (2 Samuel 22:29). Let God be your beacon in the world.

Morgan County School Board Votes

(I want to take this time and opportunity to set the record straight and let the citizens of Wrigley and West Liberty Ward 3 know where I stand on some things that had taken place at the last special called school board meeting.)

On June 25, 2007, the Morgan County Board of Education held a special meeting. At that meeting there were two major issues discussed:

1. The hiring of an assistant superintendent.
2. The renewing of Mr. Gold's contract for another year, which will take his contract through the 2009 school year.

I want to let you the citizens of Wrigley and West Liberty Ward 3 who voted for me know where I stand on these issues. The vote was three to two in favor of the two issues, with Mr. Nunnery and myself voting **NO** on both issues.

My feeling is that there is no need for an assistant superintendent at this time. The enrollment in the Morgan County school system has declined by a 2 percent rate per year and is projected to continue at this pace for the next 10 years. Mr. Gold has been employed as superintendent for the last several years without the use of an assistant superintendent.

I also voted **NO** on the rehiring of Mr. Gold's yearly contract. Mr. Gold has filled several school positions with people who do not live in Morgan County. I am very strongly against this practice. Morgan County has qualified people needing these positions in our school system.

My suggestion to all the citizens of Morgan County is to attend the school board meetings. These meetings are held the second Monday of each month at 6:30 p.m. in the basement of the central office building, located beside the Community Center.

– Patty Hutchinson

IN MEMORIAM

In Memory Of
Forrest "Butch" Hill
Dec. 7, 1948 • June 7, 2006
Safely Home
I am home in heaven, dear ones;
Oh, so happy and so bright!
There is perfect joy and beauty
In this everlasting light.
All the pain and grief is over,
Every restless tossing passed;
I am now at peace forever,
You shall rest in God's own land.
There is work still waiting for you.
So you must not idly stand;
Do it now, while life remaineth--
You shall rest in God's own land.
When that work is all completed,
He will gently call you Home;
Oh, the rapture of that meeting,
Oh, the joy to see you come!
(Paid by Joseph)

TO OUR DAD AND MOM
Since Heaven has become your home
we sometimes feel so alone
And though we are far apart
You hold a big piece of our heart.
I never knew how much we'd grieve
When it was time for you to leave,
Or just how much our hearts would ache
From that one fragment you all would take
God lets this tender hold remain
Reminding us we'll meet again'
And one day all the pain will cease
When He restores the missing piece
For Jesus heals each tiny part
That holds your memory in our hearts
This tearful heart reminds us of when God unites us in His love.
We want to thank all our family and friends that were there for us during Dad's illness and passing. A big thank you for all the food and flowers. Also to Mike

Dedicated To My Papaw On His Birthday, July 20, 1932
By Lakin Cantrell
It was a hot day in August
It made eighteen days and nights
My grandfather had been in the hospital
But on that hot day
My hero had to depart from me
I felt so bad
I felt like someone had ripped my heart out of my chest
Tears were flying everywhere
As people were kneeling to pray
As my grandfather passed away
After all I was glad
I know he was going to a better place.
Happy birthday
From: Your Little Tootie
We all love and miss you. (pd)

Frisby, Jimmy and Tim Conley, the singers, Herald, Stewart, and Halsey Funeral Home. Lurline Arnett cuts her birthday cake during the annual Benton reunion.

Lurline Arnett is honored at Benton reunion June 2

The annual Benton reunion was held at the Caney First Church of God on Saturday, June 2, 2007. A highlight of the evening was the celebration of Lurline Burton Arnett's 90th birthday. She was surprised with a beautiful cake and the birthday song. Lurline attended the reunion with eighteen members of her family.

Following a time of fellowship, food and reminiscing, there was a memorial service for those who died during the past year. They are: Dalmas Benton, Larry Allen, Ernest Benton, Harmon Lewis, Norwood Barker, Andy Patrick, Hortense Arnett Benton, Clara Tolson Benton, Madella Stacy Burton, Marline Lykins Lydon, Lillian Morris Grossman, Gerogia Lewis Mason, Alta Morris Kramer, Eugene Frisby, Oakley Smith, Lena Craft Stacy, Clark Benton and Bobbie Benton.

During the first part of the program, Stanley Benton presented a brief description of his research on the background of Thomas Hart Benton, who came to Morgan County in 1853 with his wife, Isabella Rice.

A tribute, prepared by

Lurline's three children (Rebecca Arnett Lee, Susan Arnett Wynn, and David Arnett) and presented by the two daughters, featured a touching biography on the life of their mother and their grandmother. Gillie Anne Benton Burton. Gillie Anne was the daughter of William Monroe (Billy) Benton and Sereca Martin Benton, and was the sister of John Benton. Lurline is the last of 75 grandchildren of William Monroe and Sereca Martin Benton.

Certificates were awarded for: oldest descendant--Lurline Burton Arnett; youngest--Stacie Renee Spears; farthest traveled--Kelly Schultz; most descendants present--Edwin and Hilda Lacy Benton; married longest--Edwin and Hilda Lacy Benton (59 years).

The program closed with a multitude of door prizes consisting mostly of ancestral photographs provided by Edwin and Hilda Benton.

Next year's reunion is scheduled for the first Saturday in June.

Rev. and Mrs. Arlie Nickell

Nickells to observe 70th anniversary July 20th

On July 20, 1937, Bonnie France became the bride of Arlie Nickell in a wedding ceremony performed by Rev. Ambrose J. Williams.

The Nickells are the parents of two sons, Jim Nickell, of Lebanon, Ohio, and Sammie Nickell, of Fort Loramie, Ohio; the grandparents of four grandchildren, and eight great grandchildren, three of whom are triplets.

Arlie accepted the Lord Jesus Christ into his life at an early age and was called to preach the Gospel. He and Bonnie have devoted their lives to serving the Lord, and have traveled many miles together, some of which was by foot, going to church services and revivals where Arlie was called to preach. At the present, they attend Lacy Creek, Jones Creek, and Lick Branch Baptist churches as often as health permits.

The couple was honored on their 66th wedding anniversary with a special church service and a bountiful potluck dinner spread on the lawn of Lacy Creek Baptist Church. Approximately one hundred friends, neighbors, and relatives were in attendance. On their 68th anniversary they were honored with a lovely reception at the Community Center in West Liberty. Again, many friends and relatives were present to wish them well.

As Arlie and Bonnie observe their 70th anniversary, their many friends, neighbors, and family wish them well.

Mr. and Mrs. Zachary Scott Young

Miss Lewis, Mr. Young exchange vows May 19

LaJeanna Sue Lewis, daughter of Billy Lee and Veda Haney Lewis, of West Liberty, became the bride of Zachary Scott Young, son of Virgil and Karen Young, of Mt. Sterling, on May 19, 2007.

LaJeanna is the granddaughter of Rev. Eugene and Velma Haney and George and Barbara Lewis, of West Liberty. Zachary is the grandson of the late Wilmont and Helen Long, of Troy, Ohio, and the late Talbet and Gertrude Young, of Pikeville.

Wedding vows were exchanged at 4 p.m. during a candlelit ceremony in the beautiful Sugarland Chapel in Gatlinburg, Tenn. A small wedding party was in attendance: Sabrina Rose Lewis, sister of the bride and maid of honor; JoAnna Leigh Lewis, sister of the bride and bridesmaid/vocalist; Ryan Lee Halsey, best man and friend of the groom; and Bradley Luke Adkins, groomsman and friend of the groom.

Chiffon halter tea-length dresses in banana dressed the maid of honor and bridesmaid. The best man and groomsman wore suits in deep charcoal with ties that matched their wedding partners. The groom, dressed in deep charcoal wore a raspberry tie that mirrored tones in the bride's bouquet.

Finally, the bride made her way down the aisle dressed in a snow-white A-line gown. Trumpet sleeves covered in pearls and sequins with a flowing cathedral

train accentuated her attire. Fresh flowers in spring tones of banana, lime, aqua, raspberry, tangerine and lavender filled the wedding party's bouquets and boutonnières. A small congregation of close friends and family shared the union on this special day.

Following the ceremony a reception was held at Calhoun's of Gatlinburg across the street. Wedding cake was served to all attending guests, compliments of the bride and groom.

After a four-day honeymoon in the Great Smoky Mountains, LaJeanna and Scott were anxious to return to their new home in Mt. Sterling, located in the Pines on Main subdivision, where they began their new life together.

The bride is a graduate of Morgan County High School and Rowan Technical College. She is employed at Mary Chiles Hospital as a medical office assistant for Dr. Usha Polisetty in the department of neurology. The groom has been a member of the Army National Guard for 16 years and is very proud of his commitment, looking to serve a second year in Iraq. He is currently Sergeant First Class in the 2123rd Transportation Unit in Richmond, Ky. He also works as a diesel mechanic at Montgomery Tractor Sales in Mt. Sterling.

Mr. and Mrs. Zachary Scott Young would like to thank all friends and family who came so far to share the joy on that most special day. (Pd.)

Congratulations Sarah and Jon!

Mr. and Mrs. Bill Conley and Mr. and Mrs. Dan Keeton are pleased to announce the marriage of their children, Sarah and Jon, who were joined in matrimony July 7, 2007. A joint shower and reception will be held for the newlyweds at the Morgan County Community Center (lower level), Sunday, July 22, 2007, at 2 p.m. All friends and family are invited to attend. The couple is registered at Wal-Mart.

Margaret Stacy Circle holds mtg. on July 10

The monthly meeting of the Margaret Stacy Circle was held on July 10th at the United Methodist Church. Jenni Ison welcomed everyone and the meeting was opened with a prayer by Kathy Walter.

The business part of the meeting was then taken care of. We will be involved in the Teacher Appreciation Breakfast and we have two showers to plan for so we have a lot to look forward to. Congratulations to Deatra Walter and Laura May.

The devotion was then given by Jeanene Jett. The scripture was from Genesis 18:1-15. These scriptures tell about how Abraham and Sarah find out that she will have a child in her old age. Sarah laughed to herself because she thought she was too old to have a child, but the Lord said, "Is anything too hard for the Lord? At the appointed time I will return to you, in the spring, and Sarah shall have a son." And so, in the spring Sarah gave birth to a son, Isaac, which means laughter. God answers prayers.

Jeanene was also in charge of the program. She and Linda Patrick had recently gone to the annual United Methodist Conference so they explained some of the things that they do there. Linda said they have praise, prayer, and politics. It is a reunion for pastors and it renews their spirits. Jeanene said they elect delegates for general and jurisdictional conference and they have wonderful music, a lot of worship and politics. Jeanene had some pamphlets and information that she shared with us. The conference lasts 5 days and it is filled with meetings, music, and worship.

We then enjoyed the refreshments that Peggy Weddington prepared after Bev Bell said blessing. Thank you, Peggy, for the wonderful food.

We send cards to the ladies who aren't able to come to the

Retired teachers honored at Cannel City School reunion

The last to be Cannel City School reunion was held on May 26th and featured our three oldest retired teachers. Hazel Steele, George Lacy, and Hazel Craft. All three taught many years at Cannel City. Mrs. Steele and Mr. Lacy did their high school work there. They were all treasured teachers and were honored by their many former students who visited them and praised them for their help in their school years.

Memory Hill & Roundabout

By Hazel B. Craft

July 16--Greetings from Memory Hill. Happy to be back again with some news--some good and some bad.

Sorry to hear of the death of Pearl Benton Bowlin, daughter of Curt and Sara Benton. Edwin and Hilda Benton and others around here went to the funeral held at

the Tri-County Church of the Nazarene, Mason, Ohio. Burial followed at the Rose Hill Cemetery, Mason, Ohio. She is the mother of one daughter, and several grandchildren.

Also sorry to hear of the deaths of Mignon Doran, wife of Adron Doran, late president of Morehead State University, and Lady Bird Johnson. Some way, some how, I gained a large picture of the two ladies taken together, now hanging in the Presidents Hall upstairs.

They died within a few days of each other and close to the same age. Mignon was 96 and Lady Bird Johnson was 94. Later I plan to have the picture made smaller and will have it put in The Licking Valley Courier.

Several connected with Morgan County and roundabout are having health problems. Jane and Roy Collett paid a visit to Jane's brother, Bill Mosley, yesterday at the University of Kentucky Hospital. He is having complications from a recent 4-wheeler accident. Now he has pneumonia. Later he will have surgery after the infection clears up. Best of wishes are extended to him and his family.

Best of wishes are extended to Harry Steele, of Malone, and Charles Benton, who recently lived at Caney--now living in Middletown, Ohio. Both of them have our prayers and best wishes. Sharon Sparks is now home from the hospital much improved from her recent illness. Best of wishes are extended to her and to other sick and shutins.

The past Tuesday was a dis-

appointing day. A bountiful carry-in dinner was prepared for the 2007 teachers retiring this year. Sorry none of them attended. They included Sandra Pelfrey, Judy Hill, Sharon Cottle, Carol Hoskins, and Kenny Cottle. Only six retired teachers were present: Monteza Lykins, Naomi Collins, Mary Stewart, Hazel Craft, Nell Adkins, and Edwin Benton. Sure wish more retired teachers would become involved. We certainly need more participation. The next meeting will be Tuesday, Nov. 6, at the Extension Office across the street from the Health Center, at 3 p.m.

We would have had another retired teacher to attend--Jane Collett. When I talked to her I failed to tell her where the meeting would be held. She came to the former location. Edwin Benton drove up there but she had already come and departed. Please teachers, remember the future meetings will be held at the Extension Office.

My niece, Patricia Pulliam, of Arizona, called recently with some very sad news. Her mother and my sister, the late Dessel Hayne's son, Leon Long's son, had accidentally run over his 1 1/2 year old son--his only son. They lived in Piercetown, Indiana. Such a disturbed family it was. The child ran out and hit the car as his dad was backing out. Not long before that Leon's wife died and now Leon is in bad shape healthwise. Sincere wishes are extended to this family. Not long ago Patricia's kidney had to be removed that she received in the 70's while I was teaching school in Indiana. She was lucky that a donor kidney was located. This kidney worked great until recently. What a lucky person she was. Her daughter, donated a kidney which was a perfect match. Now the two are doing great.

Memory Hill had several interesting visitors recently. Thanks Kindell Vance and his sister, Leahshea, for your visits. Kendall is so interested in Memory Hill.

he brought some interesting gifts from Hawaii. He is a student at Morehead State University. He has great plans for the future. They were so thrilled to see the new addition--especially the local artist wall which contains fourteen beautiful pictures. Many, many thanks Kendall and Leahshea.

Two more interesting visitors included Cleo Howard, of Supported Employment--a great friend of my daughter, of Winchester. She said she always wanted to visit. She couldn't wait to call Angela. Her comment in the Visitors Book: "It was a beautiful museum. So happy I came. I will never forget it." Cleo brought her job learners, Daral Terry. I had Daral and his brother, Harold, in school at Cannel City. Daral has eight brothers and five sisters. Shorty Terry is one of them. I taught several of the family. I sure enjoyed their visit. In fact, I enjoy any visitors to Memory Hill. Visitors are so welcome.

The first Sunday in July Doug and Jeri Hall, also Mary Stamper and I visited the Little Samuel Memorial Church at Lothair. It was a great day. I have so many great memories of this church. I especially remember that when the girls were small, Deborah would make friends with the old me. Sometimes they would give her money. She would then say "Give me some for my sissy". While Wardie was preaching, she would take the money up on the stage and tell Wardie, "Keep my money." She would put it in is pocket. The congregation got a kick out of that. Many still remember when this happened.

I have another interesting picture connected with the Cannel City School. It will have to wait until I locate it. I do have a picture of the childhood home of President William Jefferson Clinton, at Hope, Arkansas. He lived in the house from the time he was four until the family left for Hot Springs, three year later.

Junction News

By Kathy Bolin

July 16--Greetings from the Junction.

Well, I am putting on a new career hat... bus driver. I have been training with Brenda Jenkins the past couple of weeks. There is Pastor Paul, Laughing Lisa, Mouthy Kathy, Serious Judy, and Chatty Edwina. Great bunch of people. We have been up and down just about every little spooky holler in this county with that big old bus.

The death angel was in our neighborhood this week. Edison Pack passed away on Saturday. He was the husband of Elva Jean Pack, and lived right across the road from me. His services were on Tuesday at Herald and Stewart and he was buried at the homeplace, Pack Lane. Sympathy goes out to all of the family. Edgar Hall, of Indiana, Chassie, Herbert, and Diane's nephew, is in the hospital and had a colon operation. Best wishes to you, Edgar.

I would like to thank Henry and Jenifer for helping me get out of the ditch the other night. I still think Adkins and Bolin Towing is a great name and we were good!!! Thanks a lot!!!

Phyllis Beasley has been visiting with Clyde and Sally Montgomery. She walked down to the barn last week and had some unusual heart populations. Doctors are not real concerned, but she had a heart catheterization on Mon-

day.

Did anyone hear about the stolen carpet? And, of course, it was not stolen. Guess where it was? Bolin's bottom. Cortis let Edwina drive home with carpet in the back of the truck, that was her first mistake. Some how as she rounded the curve at my place, the carpet scooted out of the truck. when she got home... no carpet. Of course it was stolen. Not!!! Cortis and Edwina drove back down the road with Edwina hanging her head out the window. Well!!! The stolen carpet was in the bottom at my house. Mystery solved. Gotta love her!!!

- To ease the pain of a spider bite mash one half of an onion,
